

Petition #4:

A Prayer for Texas Children's Pediatric Associates at Corinthian Pointe (TCPA)

Scripture Reading:

Psalm 19:1-11, Psalm 127:3-5

Reflections of the Heart:

What an amazing God we serve! Praise God for His abundant love for the children in our community that He would send such an amazing facility to meet their medical needs. "Let each generation tell its children of Your mighty acts; let them proclaim Your power." *Psalm 145:4*

Scriptural Prayer:

Holy Father, we thank You for the Texas Children's Pediatric Associates at Corinthian Pointe (TCPA). Thank You for meeting the medical needs of the children in our community through this great facility. Thank You for pouring Your wisdom and knowledge into Dr. Cheryl Hardin, Dr. Tyeshia Babineaux, and their staff. We will exalt You, our God and King, and praise Your Name forever and ever. Every day, we will praise You. You are great and most worthy of praise! No one can measure Your greatness. With all of our hearts, we thank You. Your deeds are amazing; all who delight in You should ponder them. Everything You do reveals Your glory and majesty. Your righteousness never fails. Father, You cause us to remember Your wonderful works. You are so gracious and merciful. You give food to those who fear You and You always remember Your covenant. You have shown Your great power to us by giving us the lands of other nations. All that You do is just and good and all Your commandments are trustworthy.

Healing Father, we confess that every good and perfect gift, including TCPA, comes from You. We declare that this facility will continue to be an avenue for hope and healing for generations to come and a blessing to the Houston community. We proclaim that every employee of this facility operates in the fruit of the Holy Spirit and they are known for their love and compassion. We confess that the doctors, medical assistants, office specialists, social workers, nurses, and pediatricians of TCPA work in one accord to fulfill Your mission and vision for this facility. We proclaim that salvation surrounds this facility like city walls and praise is on the lips of those who work there. We decree that favor surrounds TCPA like a shield and this medical practice will continue to be successful.

Righteous Father, please continue to bless the work done at TCPA. Cause miracles, signs and wonders to manifest regularly from this facility, so that all who see, hear and experience them will stand in awe and amazement of You. Holy Spirit, touch the heart of the community to continue to utilize the services offered by this facility. As the news about this great organization continues to spread, please help the staff to successfully manage the increased patient load with patience and professionalism. Continue to provide the funding, supplies and technology that TCPA will need to meet their patients' needs. Holy Spirit, let Your love permeate throughout this facility so that all who enter the doors are comforted and encouraged. Increase Your discernment in Drs. Hardin and Babineaux and their staff as they administer treatment. Please bless the staff and meet all of their personal needs according to Your glorious riches which have been given to them in Christ Jesus.

Holy Spirit, show me how I can continue to pray for this great facility:

Compassionate Father, please forgive those persons who have spoken ill words against this facility. Forgive us as a society for not being more concerned with the health and welfare of our children. Forgive the TCPA doctors and staff for any acts of sinfulness. Forgive them for any doubt and unbelief. Father, forgive me for **(list any sins that you have committed.)** Holy Spirit, remind the TCPA doctors and staff of those they need to forgive and help them to be quick to forgive. As for me, Holy Spirit, bring to my remembrance those I need to forgive. ***(Take a moment and ask the Holy Spirit to show you names or faces of people that you may need to forgive. As He shows you, say aloud, "I forgive name of person(s)." Now, trust the Lord to heal any wounds in your soul caused by unforgiveness.)***

Holy Spirit, help the TCPA doctors and staff to not yield to temptation; but deliver them from the evil one.

Sovereign Lord, heaven is Your throne and the earth is Your footstool. Your hands have made both heaven and earth; they and everything in them are Yours. You are the First and the Last; there is no other God. In Jesus' Name, Amen.
