ONE Prayer:

Glorious Father, thank You for Your eternal love for and unmerited grace towards government professionals. Thank You for blessing them with hope and healing. Thank You for what You have already done and will do to make them prosperous in their professional and personal lives. Lord, You are good and Your unfailing love endures forever. You are great and You perform wonderful deeds. You alone are God. How great are Your signs and how powerful are Your wonders. Lord, You are high above all the nations. Your glory is higher than the heavens. Who can be compared with You, our God, who is enthroned on high.

Awesome Father, we declare that government professionals will trust in You with all their hearts and not depend on their own understanding. They will seek Your will in all they do and You will show them which paths to take. They will not be impressed with their own wisdom; they will revere You and turn away from evil. As they do these things, Your Word says they will have healing for their bodies and strength for their bones. We expect government professionals to praise You, Lord, with all that they are and to not forget the good things You do for them. You forgive all their sins and heal all their diseases. They will not be afraid, for You are with them. They will not be discouraged for You are their God. You will strengthen and help them. You will hold them up with Your victorious right hand. They will have cheerful hearts as good medicine.

List the names of government professionals you know who need healing. Speak their names by saying, "in Jesus Name, we declare healing for (say their names)." Encourage them to pray Scriptures of healing located at <https://www.prayerinstitute.com/prayer/model-prayers/healing>.

Holy Spirit, please help government professionals grow in their understanding and faith in the Lord's power to heal. Encourage them to meditate on God's Word and His many acts of healing. Help them to be freed from stress, insomnia, heart disease, hypertension, unhealthy eating habits, obesity, substance abuse and lack of attention to their overall health and well being. Show them how to humble themselves before God and pray boldly for healing for themselves and others. Remind them to always look to You and to no one else for help and strength. Gracious Father, cause Your healing power to be experienced in their lives and in their families, at their workplaces, among their constituents and in their global community.

Merciful Father, forgive those government professionals who have doubted Your Word and Your works. Forgive those for having more faith in healthcare professionals than in You and for denying Your power to perform healing, signs and wonders in their lives and in the lives of others. Forgive those for not taking good care of their mental and physical health or supporting good health for their colleagues and employees. Forgive them when they do not pray for healing because they forget You are near; they are too busy and focused on their work; they procrastinate; or they yield to laziness and unbelief. Lord, forgive me for ***(list any sins that you have committed)***. Holy Spirit, remind government professionals of those they need to forgive and help them to be quick to forgive. As for me, Holy Spirit, bring to my remembrance those I need to forgive. ***(Take a moment and ask the Holy Spirit to show you names or faces of people that you may need to forgive. As He shows you, say, "I forgive name of person(s)." Now, trust the Lord to heal any wounds in your soul caused by unforgiveness.)***

Holy Spirit, help government professionals not to yield to temptation but deliver them from the evil one.

Royal Lord, You are the Almighty! Only You can open the eyes of the blind and unplug the ears of the deaf. You cause the lame to leap like deer and those who cannot speak to sing for joy. You cause springs to gush forth in the wilderness and streams to water the wasteland. You cause the parched ground to become a pool and springs of water to satisfy the thirsty land. Great and awesome is Your Name. In Jesus' Name, Amen.
