

A Prayer of Joy for Science and Technology Professionals

Scripture Reading:

Psalm 29, Philippians 4:4-8

Reflections of the Heart:

God, the source of our hope, will fill us completely with joy and peace because we trust in Him. We will overflow with confident hope through the power of the Holy Spirit. *Romans 15:13*

ONE Prayer:

Omniscient Father, this is the day You have made, and we will rejoice and be glad in it! Thank You for science and technology professionals and for providing them with Your joy. Thank You for taking care of them and supplying all of their needs from Your glorious riches in Christ Jesus. Thank You for sending the Holy Spirit to instruct, guide, teach and comfort them. Lord, science and technology professionals worship You with gladness and come before You, singing with joy. They acknowledge that You are God! You made them, and they are forever Yours. Science and technology professionals are Your people, the sheep of Your pasture. They enter into Your gates with thanksgiving; go into Your courts with praise. They give thanks to You and praise Your Name, for You are good. Your unfailing love continues forever, and Your faithfulness continues to each generation.

Wonderful Father, we declare that science and technology professionals will seek Your Kingdom above all else, and live righteously, and You will give them everything they need. May those who search for You be filled with joy and gladness in You. May those who love Your salvation repeatedly shout, "God is great!" Today, we confess that when troubles of any kind come their way, they will consider it an opportunity for great joy. Lord, Your joy is their strength. We decree that those who listen to instruction will prosper; those who trust in You will be joyful. As they prosper, they will share freely and give generously to those in need. Their joy shall be infectious in their work place and home life. They will have influence and honor. Their good deeds will be remembered forever.

Holy Spirit, reveal how I can pray for the joy of science and technology professionals today:

Holy Spirit, help science and technology professionals understand that God is the source of all joy, and it is through His grace that it is offered to them. Show them that while worldly joy is temporary, the joy that You give is always available and accessible. Teach them how to rejoice in You by seeking You first in all things, spending time in Your presence and Your Word, being obedient to Your will, honoring You with praise and partnering with You through prayer. Increase their faith and patience during times when joylessness tries to take root due to challenging external or self-inflicted circumstances such as becoming stressed over things that are not in their control, or harming their body with foods, alcohol, or drugs that are not beneficial to their health. Give them the strength and the strategies to overcome obstacles joyfully so that they may be positive role models for those they love, lead, instruct, care for and walk beside. Show them how to enjoy life and laugh more.

Loving Father, forgive science and technology professionals for all acts of sinfulness, including strife, discord, jealousy, lying, greed, gossip, bribery, abuse of power and idolizing people and things. Forgive them when instead of embracing joy, they choose to worry, fear, complain and wallow in self-pity. Forgive those who only focus on what will bring them joy instead of what they can do to give You and others joy. Father, forgive me for ***(list any sins that you have committed)***. Holy Spirit, remind all science and technology professionals of those they need to forgive and help them to be quick to forgive. As for me, Holy Spirit, bring to my remembrance those I need to forgive. ***(Take a moment and ask the Holy Spirit to reveal names or faces of people that you may need to forgive. As He reveals them, say "I forgive name of person(s)." Now, trust the Lord to heal any wounds in your soul caused by unforgiveness.)***

Holy Spirit, help science and technology professionals not to yield to temptation but deliver them from the evil one.

Immortal Lord, You are the blessed and only Almighty God. You are the King of kings, and the Lord of lords. You alone can never die. You live in light so brilliant that no human can approach You. No human eye has ever seen You, nor ever will. To You belongs all honor and power forever and ever. In Jesus' Name, Amen.
