

## **BLESSED 2020!**

## "BE IN IT TO WIN IT!"

Genesis 32:22-31

## I. INTRODUCTION

The Lord is in the blessing business. It is His character to bless us. (Of course, we, in turn, should bless others.) Nonetheless, there is a tendency for some believers to twist the intent and integrity of God's blessings: If you do "x," then God will do "y." God's blessings should not be likened to a lottery ticket, a magic trick, or a dog and pony show.

God's 2020 is loaded with blessings for you, too numerable to count! But life is not a lottery. You must do your part. God **gave** the Israelites the land, but the giants in the land had to be defeated. God **gave** Joshua the victory at Jericho, but Joshua fought thirteen battles and encountered 31 kings. God **gave** us His only Son, but His Son had to suffer. Blessings cost.

God's salvation cannot be earned. Similarly, God's blessings cannot be earned either. It is true: if you are in Christ, then every blessing belongs to you! (Ephesians 1:3) BUT, blessings, particularly a Scripturally blessed life, require consistent obedience and effort. Oftentimes, blessings even require fighting, and the fighting could result in a wound or two. Let's ask Jacob.

II.	THE FIRST QUARTER: HOW TO LOSE.	vv. 21-23

- A. Jacob was a grabber, liar, supplanter, deceiver and manipulator. **Genesis 27: 34-40**
- B. He cheated his brother; deceived his blind father while his father was on his deathbed; and he slyly outwitted his unscrupulous uncle.
- C. Jacob was nocturnal. He moved at night. vv. 13, 21, 22, and 24
- D. He tried to buy his way back into right standing with his brother (after he hosed his brother big time)!

III. THE SECOND QUARTER: HOW TO BECOME A WINNER. vv. 23, 24, 26, 27

A. Learn how to be alone. Luke 5:16

	Galatians 2:20
C.	Learn the value of a blessing.
D.	Learn your current name.
E.	Learn how God wants to bless (you) in spite of your "inner mess."
ТН	E THIRD QUARTER: HOW TO WIN. vv. 25-29
Α.	Fight with the will to win, complete with bravado and bravery.
	Keep fighting after most folk would have quit.
	When you are too hurt to fight, then hang on until the blessing/deliverance
	/breakthrough happens.
	When the sun came up, the darkness was gone – and so was Jacob! Only
	Israel was present! When your new day dawns, let go of your yesterdays.
	Acknowledge your real Blessor! James 1:17; I Chronicles 29:14
Ь.	Acknowledge your rear blessor: James 1.17, 1 Chromicles 29.14
	E FOLIDTH OLIABTED, HOW TO LIVE AFTED VOLID WIN 194 20 24
	E FOURTH QUARTER: HOW TO LIVE AFTER YOUR WIN. vv. 30, 31
