EXODUS 3:14-17

1. Autonomy is the capacity to act in accordance with your authentic self and values, rather than being influenced or controlled by external pressures.

2. In other words, by The Lord’s grace, autonomy, in this case, means you will not be subjected to or controlled by your emotions (flesh) or evil powers.

3. Exodus 3:14 - “I AM WHO I AM”.

- a) “I will be who I will be”. I am who I will be.

- b) “I will cause to be what I will cause to be.”

- c) “I will be who I am /I am who I will be”.

- d) “I will be God for you”: not only will The Lord be present in your life, but The Lord will be faithfully God! *Terrence E. Fretheim*

- e) The Lord God Almighty will be your God at all times and in all places!
